With his super-hero secret identity gaining fans due to a popular viral video, and other masked vigilantes such as Hit-Girl and Big Daddy making their presence felt in the city, Dave knows that his extracurricular activity is dangerous, maybe even stupid — but he's got the itch, and it ain't going away. Extras include variant covers, character design sketches, script to story progression, and introduction by Rob Liefeld. Collecting KICK-ASS #1-8.

There, Roland encounters lost souls like Old Nort, aimlessly wandering the streets and drinking to forget; Kennerly, the stableman who takes better care of Roland's mule than he does his daughters…and Allie, the once-pretty barmaid saddled with a fearsome, cursed secret thanks to the Man in Black. It may seem that Tull is on the very edge of the world, but Roland believes that beyond its border lies a hidden truth that means everything to Mid-World. The Man in Black holds the key to that mystery, and Roland is going to keep following him — even straight into a trap — to unlock it. Collecting DARK TOWER: THE GUNSLINGER — THE BATTLE OF TULL #1-5.

"A tense thriller that touches all the bases of a good yarn – an unlucky detective, a femme fatale, a seedy plot – yet with a fresh point of view and a gripping sense of action and adventure." –*Mark L. Miller, Ain't It Cool News*
